

*Office of the Mayor
City of Sedona, Arizona*

***Proclamation
National Children's Vision and Learning Month***

Whereas, children in the City of Sedona are getting ready for the start of another school year, many of them will begin their studies with undiagnosed and untreated vision problems; and

Whereas, according to the College of Optometrists in Vision Development, as many as one in four have vision problems; and

Whereas, all children deserve the opportunity to achieve their full potential; and

Whereas, public awareness about learning related vision problems is necessary to ensure that young people receive the prompt visual treatment they need to enhance their lives; and

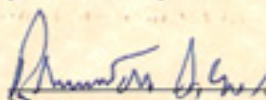

Whereas, parents, educators school nurses, and all concerned adults are encouraged to recognize the critical link that visual skills play in the learning process, and to work together to help prevent or reduce the impact untreated that visual problems can have on our children's ability to read and learn.

Now, therefore I, Rob Adams, Mayor of the City of Sedona on behalf of the Sedona City Council do hereby proclaim the month of August as,

“CHILDREN'S VISION AND LEARNING MONTH”

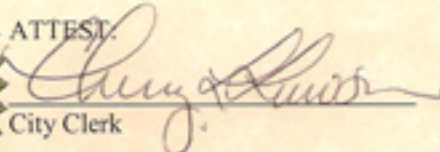

and urge all citizens to join me in this special observance.

Given under my hand in these free United States in the city of Sedona, on the 22nd day of July, 2008; and to which I have caused the Seal of the City of Sedona to be affixed and have made this proclamation public.

Mayor

ATTEST.
